STATE OF VERMONT
OFFICE OF LEGISLATIVE COUNCIL

NOW HIRING: APPLICATION DEVELOPMENT SPECIALIST

The Office of the Legislative Council, IT Department, is now hiring an application development specialist to work with legislative departments to analyze workflows and business requirements, and to design and implement solutions to support those requirements. Developed applications will interact with SQL databases, Microsoft Office 2010, proprietary legislative software, the document management system, the legislative website, and other resources. The application developer will also provide user support if required.

This position is nonpartisan, and it is essential that personal political beliefs do not interfere with the quality of service provided.

This is a year-round, full-time, exempt position. Salary is approximately $50,000 per year with full State of Vermont benefits.

The Office of the Legislative Council, IT Department, is a small collaborative team. Strong interpersonal skills and the ability to be a self-starter are essential. In addition to the standard compensation package, we also provide technical training and professional development opportunities.

Required Education/Experience:
Candidates may have a bachelor's degree in computer science or related subject, and/or two years' experience in application development and analysis.

The ideal candidate will have proven programming skills in object-oriented programming languages, along with the ability to learn new technologies rapidly.

Required Skills:
Proficiency with T-SQL (Microsoft SQL Server 2008 R2 and MySQL databases)
Knowledge of SQL stored procedures, triggers, functions, indexing strategies, query tuning/optimization, and security
Visual Basic for Applications (VBA for Microsoft Word, Microsoft Access)
VBScript

Preferred Skills:
Data modeling experience (designing database schema, ER diagrams, documentation)
JavaScript (jQuery, DataTables experience is a plus)
Proficiency with PHP (experience with LAMP stack desirable)
Web-based Content Management Systems
Linux
HTML & CSS
Git

Application Procedure:
Please submit a resume and a cover letter describing how your education and experience make you well-suited for this position to: *ITApplication@leg.state.vt.us*. Include the subject line: "Application Development Specialist" in your e-mail. The resume and cover letter should be in MS Word or PDF format.

Equal Opportunity Employer:
The Office of Legislative Council is an equal opportunity employer. Applications from women, individuals with disabilities, veterans, and people from diverse cultural backgrounds are encouraged. ADA accommodations will be provided upon request.
